

Chargify® Service Terms

These Chargify Service Terms (these “**Service Terms**”) are between Chargify LLC, a Delaware limited liability company (“**Chargify**”) and the person who submits an Order for Chargify’s services (“**you**”).

Capitalized words in these Service Terms have special meanings. See Section 11 (Defined Terms) at the end of these Service Terms.

Chargify may modify these Services Terms at any time, but modifications are not effective for Orders that are in place prior to the modification until the Order renews or you add new services to your account. See Section 9.21 (Changes to Online Terms).

If you have any questions about these Services Terms, please contact sales@chargify.com.

1. SERVICES

1.1 Services. Chargify agrees to provide the Services for the Term on the terms and conditions stated in the Order and these Service Terms. Chargify makes the following commitments:

1.1.1 The Services will include those features listed on the Chargify Plan you select as described on the Chargify website on your Order submission date or other Plan document provided to you. The Services include updates that Chargify makes generally available to its other subscribers to the same Plan, subject to any fees and terms that may apply to new features.

1.1.2 Chargify will use commercially reasonable efforts to make the Services available to you 24 hours per day, 7 days per week, year-round, excluding reasonable maintenance. If your Plan includes a service level commitment or “SLA” for availability, Chargify makes the availability commitment to you described in that SLA.

1.1.3 You will have access to Chargify’s online support Documentation; and

1.1.4 Chargify will provide support via phone, chat and ticket beginning each Monday at 8 a.m. and ending Friday at 7 p.m., United States Central time, excluding federal public holidays in the United States and other Chargify announced support holidays. If your Plan includes response time commitments for support requests as part of a service level commitment or “SLA,” Chargify makes the response time commitments described in that SLA.

1.2 Service Levels or SLA. If your Plan includes an SLA, the SLA is subject to the following terms:

1.2.1 Credit Requests. To receive a credit, you must request a credit no later than ten (10) days following the day that the Chargify commitment was not met. You must submit your request to support@chargify.com.

1.2.2 General SLA Terms. Chargify is not required to apply credits for any month that exceeds the fees due from you for that month. Chargify is not required to apply unused credits to past or future months for your Services or to apply them to other services. Chargify is not required to apply a credit if any fees due from you are overdue, or if your account has been suspended or terminated for your violation of the Order or Service Terms. If you are entitled to a credit after the time that you have paid your final fees to Chargify, Chargify will issue the credit to you in the

form of a credit to your payment card or account. Time periods are measured with reference to time-stamps in the Chargify system or other reliable Chargify records. The credit remedies provided in this SLA are your **sole and exclusive remedy** for damages arising from Chargify's failure to meet a commitment for which a credit is provided.

1.3 Fraud Check. Chargify may refuse to provide Services if you fail its fraud check. If you fail the fraud check after your account has been provisioned, Chargify will close your account, and refund any pre-paid fees.

1.4 Internal Use Only, No Resale of Services. You may use the Services only in connection with your own services. If you wish to use the Services to provide billing or account services for others you must contact Chargify and make other arrangements.

1.5 PCI Compliance. Chargify will maintain compliance with current Payment Card Industry Data Security Standard (PCI DSS) as published by the PCI Security Standards Council. On your request, Chargify will provide you a current Certificate of Compliance issued by a PCI Qualified Security Assessor. **Chargify makes no other representations or warranties regarding security.** You agree that Chargify is not responsible to you for any harm you suffer as a result of a security breach unless the breach was the result of Chargify's failure to maintain its compliance with the PCI DSS as required by this Section.

1.6 Test Sites. Chargify may provide you with access to non-production sites or services at no additional charge for your use in testing changes and integrations before you implement them as part of your production Services. These services will be designated as "Test Sites" or with a similar description. Test services have significantly limited functionality compared to your production Services. For example, test services are not configured to process actual payments, are significantly slower, and are severely restricted as to data storage and the permitted number of records. Test services are not "Services" under this Agreement, and are provided **AS IS**, without any service level commitments, warranties or representations whatsoever. Chargify has no obligation to provide support for any test services. Any support that is provided is provided on an **AS IS** and **AS AVAILABLE** basis. Chargify has no liability for any harm or damage arising out of or in connection with your use of a test service. Chargify may terminate your test services and delete any related data at any time.

1.7 Beta Services. From time to time, Chargify may invite you to try test or "Beta" Services at no charge. Beta services will be designated as test, beta, pilot, limited release, developer preview, non-production, evaluation or with a similar description. Beta services are for evaluation purposes and not for production use, are not considered "Services" under this Agreement, are not supported, and may be subject to additional terms. Chargify may terminate a Beta service at any time, for any or no reason. Chargify may discontinue Beta Services at any time in its sole discretion and may never make the Beta Services generally available. If a generally available version is released, there may not be an automatic update path from the Beta version to the generally available version. If not earlier terminated, any Beta services trial period will expire on the date that the Beta service is released on a generally available basis. Beta Services are provided **AS IS**, and Chargify has no liability for any harm or damage arising out of or in connection with a Beta Service.

2. API(s).

The Chargify API(s) are licensed to you on a non-exclusive, limited term basis for your use only in connection with the Chargify Services as permitted by the Agreement, and subject to all of the restrictions and conditions stated in the Agreement. Chargify will give you at least five (5) days advance written notice of any change to its API(s) unless a change is needed to address a critical service issue.

3. THIRD PARTY SERVICES, INTEGRATION FEATURES

Third party services include your payment gateway and other third party services that you elect to integrate with your Services, such as, accounting, customer relationship management, and tax services. Chargify does not endorse or recommend any payment gateway or other third party service, and you are responsible for investigating the quality and suitability of your gateway and other third party services. For any third party service that you use or integrate with the Services, or that Chargify integrates for you at your request, you represent and warrant to Chargify that you have the necessary rights and licenses from the third party service provider to use their services as integrated with the Chargify Services. If Chargify collects the third party's fees from you, then it will pass through the fees to the third party, but you acknowledge that Chargify is only a payment conduit and has no responsibility for the third party's services. Chargify makes no representation or warranty whatsoever regarding the third party service and, as between you and Chargify, the third party service is provided **AS IS**. Your use of the third party service is subject to the legal agreement between you and the third party. You should review the third party's legal terms and privacy policies before using their services. Chargify may de-integrate your Services with the third party services on the written request of the third party without investigating whether there are sufficient grounds for the request. Specifically, but without limitation, Chargify is not a payment processor, and is not responsible for any monies due to you for your transactions managed by means of the Services. If you experience unavailability or errors with your payments gateway, you should contact your gateway for support.

Chargify may provide integration features for third party services as part of the Chargify Service. You acknowledge that Chargify's integration features may be unavailable or may not work properly if the service provider's API is unavailable or if the service provider modifies its API or services in a way that impacts the Chargify integration feature. Chargify will use commercially reasonable efforts to modify its integration features to maintain compatibility with service provider's APIs and services, but may discontinue an integration feature without liability to you if there is a change in the service that creates an unreasonable cost or operational burden to Chargify. Your obligations under the Agreement, for fees and otherwise, are not conditioned on the continued availability of any integration features.

4. YOUR DATA

The Personal Data, text, and graphic content that you or your users or customers transmit to the Services, or create by means of the Services is "**Your Data**." For clarity, "Your Data" does not include: (i) system generated data about your use of the Services ("**System Data**") provided that the System Data is not identifiable to you or any individual user or customer, or (ii) any numerical or financial data about your users or customers that is collected and maintained in aggregate anonymous form ("**Anonymous Statistical Data**"). As between you and Chargify, you own and retain ownership and all rights in Your Data and Chargify may use Your Data only for the purpose of providing the Services and exercising its legal rights and remedies in connection with the Agreement. You acknowledge that Chargify owns and

retains ownership rights in the System Data and Anonymous Statistical Data and may use, transfer, and commercially exploit the System Data and Anonymous Statistical Data for any purpose whatsoever.

5. FEES AND PAYMENTS

5.1 Payment Account. Unless you have made other arrangements with Chargify, you must authorize and maintain a current valid means for Chargify to collect its fees for the Services via payment card, PayPal, or ACH at all times during the Term.

5.2 Billing Cycle. Fees are charged on a monthly basis unless otherwise stated in the Order. Your “billing cycle” begins on your Services activation date and continues for one month. If your Services activation date is the 29th, 30th or 31st day of a month, we will adjust new billing cycles to end on the last day of the next month that has fewer days than your service activation month. For example, if your service activation date is January 31st, your billing cycles will end on February 28, March 28, April 28, etc.

5.3 Fees. The fees for the services are stated in the Plan document posted on the Chargify Site or in your Order. Chargify may not increase the fees during your initial Order term, but may increase its fees for any renewal term by giving you notice of the increase at least thirty (30) days prior to the first day of your next billing cycle. Fees are stated and must be paid in United States Dollars. You must pay any base, minimum, or fixed fees associated with your active Plan even if you do not use the Services. Certain terms use in the Plan have specific meanings as follows:

% of Revenue or Percent of Revenue means the total amount charged by you to your customers’ using the Services, excluding offline payments, during a given billing cycle (including sales, use and value added tax and like charges), less the amount of refunds recorded during that billing cycle, times the applicable percentage.

Usage means the measure of the use of a particular Services feature during a billing cycle according to the metric described in your Plan, measured by Chargify by means of the Services platform on the last day of the billing cycle.

5.4 Sales Tax. The stated fees do not include any sales, use, VAT or like taxes (“**Sales Tax**”). You must pay any applicable Sales Tax that is properly invoiced by Chargify.

5.5 Invoices. Chargify may invoice the fees on or after the following times: (i) for monthly minimums, base fees, and other fixed monthly recurring fees, the first day of each billing cycle, (ii) for usage fees, % of Revenue, and other variable fees, the last day of each billing cycle, or more often if your usage fees or % of Revenue are unusually high for your account type, (iii) for one-time fees (such as set up fees), the day you submit the Order that includes the fee, and (iv) for hourly fees, at the time stated in the Order, or if no time is stated, on completion of the hourly services described in the associated Order. Chargify may invoice any applicable Sales Tax with the invoice for the related Service, or separately. If your Plan is based on a monthly fee that is stated as a % of Revenue with a “minimum,” Chargify may invoice the minimum on or after the first day of your billing cycle, and invoice any amount by which your % of Revenue exceeds the minimum on or after the last day of your billing cycle.

5.6 Payments. Unless you have made other arrangements, Chargify may charge your payment card or account on the date of invoice. Chargify may suspend or terminate your Services or the Agreement if its charge to your payment card or account is rejected or not timely paid for any reason. Chargify may

charge interest on overdue amounts at the lesser of 1.2% per month or the highest non-usurious amount permitted by applicable law. If Chargify takes legal action to collect an overdue amount, you must also pay Chargify's reasonable costs of collection, such as attorney fees and court costs. If Chargify suspends your account for late payment, you must pay Chargify's reasonable reinstatement fee, not to exceed the minimum or base fee of your Plan.

5.7 Plan Changes. Generally, changes to your Plan are effective starting with the billing cycle that follows the change. For upgrades, Chargify may give you the benefit of additional features prior to the next billing cycle, but you will be charged the fees applicable to your old Plan for the remainder of the billing cycle. If you downgrade to a lower tier (lower Plan or the free use version) or cancel your Services, Chargify may continue your existing Plan features and fees until your next billing cycle, or may change your Plan to the lower tier or terminate your Services prior to the end of the billing cycle, at its election. If you have made a Term commitment to your Plan of longer than one month, Chargify may charge you the applicable fees for the remainder of your Term commitment. See *Fees/General*.

5.8 Currency. If you charge your customers in a currency other than United States Dollars, Chargify will convert the currency to United States Dollars as necessary to calculate your % of Revenue or other revenue based fee using a rate published by a commercially reasonable exchange information service such as <https://openexchangerates.org/>. Chargify will convert currency on the date it calculates your fee for the billing cycle, without regard to fluctuations in the currency during the billing cycle. For example, to calculate a % of Revenue based on billings in a non-U.S. currency, Chargify will calculate the net revenue (billings less refunds/chargeback for the billing cycle) on the last day of the billing cycle, then will convert net revenue amount to U.S. Dollars, then will calculate its fee in Dollars as a percentage of this amount. Chargify will use reasonable efforts to obtain an exchange rate published on the day it calculates your fee, but may use a rate that is published up to five days prior to that day.

5.9 General. Fees are non-refundable. If Chargify discounts your fees in exchange for your commitment to a Term length of longer than one month and the Order is terminated prior to the end of the committed term then, unless the termination was by Chargify for convenience, or by you for Chargify's breach, you must pay an early termination fee equal to the discounted fees for the remaining part of the committed term.

6. YOUR OBLIGATIONS

6.1 Fees. You must pay your fees when due as described above. You must not use or attempt to use the Services in a way that undermines Chargify's ability to correctly calculate its fees.

6.2 Your Security Obligations. You must use reasonable security precautions in connection with your use of the Services, such as requiring your users to establish reasonably secure passwords and using commercially reasonable efforts to protect your systems and data from malware. You may not interfere, or attempt to interfere, with the encryption features of the Services.

6.3 Authorized Users. You may not authorize anyone to use your Services account other than your employees or other personnel.

6.4 Acceptable Use. You may not use the Services in connection with any illegal or abusive activities, as determined by Chargify in its reasonable discretion, or in violation of the AWS Acceptable Use Policy at <https://aws.amazon.com/aup/>.

6.5 Backups. You must create a backup of Your Data at reasonable intervals and retain that backup in a secure location.

6.6 Compliance with Law. You must use the Services in compliance with applicable law.

6.7 Representations and Warranties. You represent and warrant to Chargify as of the effective date of each Order and on an ongoing basis that: (i) the information you submit about yourself and your activities to establish a Services account with Chargify and place an Order is true, correct, and complete, (ii) you have not been the target of any legal or regulatory investigations or proceedings in connection with your business activities, and (iii) Your Data was collected in accordance with applicable law, and that you have all necessary rights and authority to use and process Your Data as contemplated by the Agreement.

7. TERM, TERMINATION, SUSPENSION

7.1 Term. Unless otherwise stated in your Order, the initial term of each Order begins on Order submission and continues until the end of your first billing cycle (one month from your Services activation date). On expiration of the initial term, the Order renews for consecutive renewal terms of one month each (or any longer period described in the Order), unless either you or Chargify gives a notice of non-renewal on or before the last day of the initial term or then current renewal term, as applicable.

7.2 Termination. Either party may terminate an Order, or the Agreement, on written notice if the other party is in material violation of any term of an Order or these Service Terms, provided that if the violation is curable the terminating party must first give the other party a written notice describing the violation in reasonable detail and at least ten (10) days to cure the violation. You may terminate an Order at any time for convenience effective as of the last day of your billing cycle by giving notice on or before the last day of the billing cycle, subject to your obligation to pay any applicable early termination fee as described above in *Fees and Payments/General*. Chargify may terminate an Order at any time for convenience on thirty (30) days advance written notice. Chargify may terminate an Order and the Agreement at any time on written notice if you or your personnel are abusive to Chargify personnel.

7.3 Suspension. Chargify may suspend your access to the Services and Your Data during any period that you are in material breach of the Agreement or your access to the Services or Your Data creates a material security vulnerability. Chargify will give you at least two (2) business days' advance notice of the suspension, unless the suspension is made under emergency circumstances. Chargify will reinstate your access to the Services when the grounds for suspension are cured unless Chargify has already terminated the Agreement as described in this Section.

7.4 Surviving Provisions. The following sections survive expiration or termination of the Agreement: *Fees and Payment, Confidentiality, Indemnification, Limitation of Liability, Term and Termination, Suspension, Governing Law, Disputes, Notices, General*, and any other terms that by their nature are intended to survive expiration or termination.

7.5 Return of Your Data. You are responsible for exporting Your Data from the Services prior to expiration of the Agreement. If Chargify terminates your Services for breach, Chargify will retain Your Data for at least 15 days from the effective date of termination. If you wish to export Your Data following a termination for breach, Chargify will either, at its option, enable short term access to the Services at a scheduled time so that you may export Your Data, or export Your Data using its standard export tools. Chargify has no obligation to retain Your Data after the 15-day period and may destroy Your Data. Chargify has no obligation to assist you with the export of Your Data. Chargify may be available to assist with data export on an hourly fee basis at a time scheduled by Chargify.

8. REMEDIES, DISCLAIMERS, INDEMNIFICATION, LIMITATIONS

8.1 SLA Credits. If your Plan includes an SLA that has a credit remedy, the credit is the **sole and exclusive** remedy Chargify's failure to meet the SLA.

8.2 Warranty Remedy. If the Services fail to meet any other warranty stated in the Agreement, Chargify will attempt to cure the failure or if it is unable to cure the failure through commercially reasonable efforts will refund the fees paid for the billing cycle during which the failure occurred. However, to be eligible for a warranty remedy under this section, you must give a written notice describing the failure no later than ten (10) days following the end of the billing cycle and cooperate with Chargify's reasonable efforts to cure the failure. The remedies stated in this Section are your **sole and exclusive** remedy for Chargify's warranty breach.

8.3 No Other Warranty. Except as expressly stated in these Services Terms or an SLA, the Services are provided **AS IS**. **Chargify disclaims any implied warranties, such as a warranty of merchantability, fitness for a particular purpose, and non-infringement, and any representation or warranty that may arise through a course of dealing. You acknowledge that the use of the Service may not be uninterrupted, error free, or completely secure.** If applicable law requires Chargify to make a warranty notwithstanding this disclaimer, then the warranty is made for a period of thirty (30) days from the date that it is deemed to have been made, and your **sole and exclusive remedy** for a breach of the warranty is a refund of fees paid for the Services covered by the warranty. You represent that you have not relied on any representation or warranty other than those stated in these Services Terms.

8.4 Indemnification. You agree that a third party asserts a legal claim against Chargify or any of its officers, members, managers, employees, staff, personnel, agents, licensors or suppliers (the "Chargify Defendants") arising from your violation of these Services Terms or any Order, including your breach of a representation or warranty, or if your customer or end user asserts a legal claim against any of the Chargify Defendants on any basis other than Chargify's gross negligence or misconduct, you will pay all reasonable costs of defending the claim, including reasonable attorney fees, and any damages awarded to the third party or paid to the third party by Chargify as a reasonable settlement. You agree that Chargify may control the defense of the claim at its option, or may require you to defend the claim directly. If Chargify elects to control the defense of the claim, you will reimburse Chargify for its reasonable defense costs and expenses as incurred.

8.5 Limitation of Liability. **In the event you have a legal claim against Chargify or any of its officers, members, managers, employees, staff, personnel, agents, suppliers or licensors (the "Chargify Defendants"), you agree that the maximum total amount of money you can recover from any or all of them cannot exceed the amount of fees you have paid or that are payable for Service for the six (6)**

months prior to the date the claim arose, unless the legal claim is based on a Chargify Defendant's intentional misconduct or is for personal injury or death resulting from the negligence, recklessness or intentional misconduct of a Chargify Defendant. In addition, you agree that in no event are you entitled to recover any lost revenue, lost profits, damages for lost data, or any indirect or consequential loss or damages or any kind.

8.6 General. You acknowledge that Chargify has set its fees and entered into the Order in reliance on the limitations of remedies and liability stated in these Terms, and that these limitations reflect an agreed allocation of risk between you and Chargify. The limitations stated in this Section shall apply to any liability arising from any cause of action whatsoever, whether in contract, tort, commercial code, strict liability or otherwise, **even if a limited remedy fails of its essential purpose.** If these limitations as written are not permitted by applicable law, they shall apply to the extent permitted by applicable law.

9.12 Assignment. Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the other party's prior written consent (not to be unreasonably withheld); provided, however, either party may assign this Agreement in its entirety (including all Orders), without the other party's consent to its affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets. You agree to consider Chargify's requests to participate in the development of product whitepapers, customer testimonials for Web publication, and other like materials to be published on the Web, to provide key performance indicator data and other information for use by Chargify as part of its marketing materials, and to serve as a customer referral.

9.14 Relationship of the Parties. The parties are independent contractors. Neither party is the agent of the other, and neither party is authorized to make any representations, contract, or commitment on behalf of the other. The use of the words "partner" or "partnership" in this Agreement or otherwise refers only to a business relationship, and does not create or reflect any legal partnership, joint venture, or other fiduciary or other special relationship between the persons described as partners. The parties do not agree to any exclusivity in regards to the subject matter of this Agreement and each party is free to contract with third parties, including competitors of the other party, for transactions of the type covered by this Agreement in any market, worldwide.

9.15 Interpretations. In calculating any period of time under this Agreement, the day of the act, event or default from which the designated period of time begins to run is not be included. The word “personnel” refers to a person’s employees and individual contractors who are under the person’s direct supervision. The word “affiliate” refers to an individual or entity that controls, is controlled by, or is under common control with the person referred to, where control means ownership of the majority of voting interests of an entity or the right to control the policies of the entity by means of a controlling number of seats on the entity’s governing body. The use of the word “including” should be read to mean “including, without limitation.” All references to monetary amounts mean United States Dollars. The term “parties,” either in lower- or upper-case form, refers to the signatories to this Agreement. For notice purposes, the words “business day,” “business hours,” or the like means Monday – Friday, 9:00 a.m. – 5:00 p.m., United States Central Time, excluding federal public holidays in the United States. A reference to “day” shall mean a calendar day, unless expressly designated as a “business” day.
